Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Thursday 21 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cold with wintry showers on Friday.

This Evening and Tonight:
Further wintry showers continuing through the evening and night, snow inland giving some moderate accumulations in places. Strong northwesterly winds easing down in the early hours. Minimum temperature -1 deg C (30 deg F).

Friday:
Some bright or sunny intervals and occasional wintry showers, these falling as snow inland. Icy stretches on untreated surfaces. Fresh northwesterly winds in the northeast. Maximum temperature 1 deg C (34 deg F).

Outlook for Saturday to Monday:
There will be a good deal of dry and bright weather over the coming days, but with a chance of scattered wintry showers around the coasts over the weekend.
